

Ducted Vacuum Specification Sheet

Compact and easy-to-install, high performance ducted vacuum system.

V3SC

A spacious home needs a motor unit designed specifically for larger areas and multiple levels. So, with larger format homes in mind, Valet designed the V3SC Central Ducted Vacuum System. The added stage fans give optimum vacuum performance for large areas or multi-level floor design.

Using soft start technology and the new SC series speed control hose, you can bring the V3SC to full power and deliver a cleaning performance that's second to none.

Valet's V3SC is big on power and big on cleaning.
